

Tortious Liability in General

1. What is the meaning of tort? What's the difference between intentional torts, unintentional torts and strict liability tort? Provide cases and examples for each category of tort.
2. Distinguish the difference between an action in tort and in contract.

② Contract: an agreement within two parties, consideration → contract
Breach of duties btw two parties

Tort: obligation not to harm others' rights, liable for sb injury
(Donoghue v Stevenson (ginger beer), contract only btw frs & shop)

contract X apply

You are obligationally not to affect others' legal right
despite X contract

Who are neighbours?

↳ Person who is likely to be affected by your actions
∴ Duty of care is needed to those ↓

Gee v Metropolitan Railway Ltd
